BANKING/FINANCE

Introduction of bad bank can make existing ARCs more effective: RBI paper

Agencies

The regulatory changes by the Reserve Bank have been broadly geared towards strengthening the ARC industry, ensuring genuine sale of NPAs by banks, enhancing the involvement of ARCs in the process of resolution and deepening the market for SRs, it said.

Synopsis

It said banks supply non performing assets (NPAs) to the ARCs, hold shareholding in these entities and also lend to them, which makes it necessary to monitor if there is a "circuitous movement of funds between banks and these institutions (ARCs)".
